New Orleans March 8th 1859.

My dear Sir,

I have to thank you for your kindness of introducing the subject of my former letter, to the Director; and will endeavor to come to an understanding with him in regard to it. The visit of the Director to our branch is an event very much desired and needed, and it is to be hoped that his presence and personal investigations will enable him to remove the difficulties now existing.

Mr. Snowden has not yet arrived, but is hourly expected.

Very Respectfully & truly

A. F. Bonzano
